

Illinois Retirement Security Initiative

MISSION: The goal of the Illinois Retirement Security Initiative is to ensure public retirement benefits in the state are adequately financed and designed to attract high quality employees to the public sector. The Initiative will research, formulate and advocate for public policies towards that end.

STRUCTURE: The Illinois Retirement Security Initiative is a project of the Center for Tax and Budget Accountability.

CBTA will appoint a Steering Committee to recommend Initiative activities and raise the resources necessary to carry out those activities.

Organizations and individuals supportive of its mission are invited to publicly endorse the Initiative. Endorsers will be kept informed of and encouraged to participate in Initiative activities.

Endorsers willing to provide additional resources to the Initiative may be invited to participate in the Initiative's Advisory Council. Advisory Council members will be asked to provide advice and guidance on the activities undertaken by the Initiative.

- Yes,** I/we support the goals of the Illinois Retirement Security Initiative and wish to be listed as an endorser.
