

## 2021 Fiscal Symposium

### *“Where Do We Go From Here? Moving Toward Greater Equity in Illinois”*

These past 19 months have been difficult for everyone, and finding an equitable path forward is more important than ever. The Center for Tax and Budget Accountability (“CTBA”) is pleased to announce the return of its fiscal symposium and welcomes **Speaker Chris Welch** as the keynote presenter. Speaker Welch will outline his vision for how to move the state forward fiscally to ensure a better future for everyone, and will make suggestions for policies that could move the state forward from both a fiscal and equity/opportunity standpoint. A distinguished panel discussion will follow the keynote address for what promises to be a thought-provoking discussion.
